Pahokee Woman's Club Free From \$5600 Debt

Today marks the close of year, first quarter of this good year, 1944. With the passing of the gubernatorial election, there will be two primary elections. During the next 90 days there will be a lot of felons made happy. And, there'll be another lot who won't be so happy. In years gone by I've been both categories.

Candidates for governor are starting their visit to the Glades. The first, who aspires to the gubernatorial top job, is by Shepard Hollister, was Raymond Sheldon of Tampa. State Senator from Hillsborough county, the young attorney spoke in the Glades first time in the campaign. He didn't like to be a candidate. Second to visit this area was J. E. Baker. Ed spoke in Belle Glade and Pahokee last Saturday afternoon. Then at 9 a.m. he drove into West Palm Beach where he spoke in Flamingo Park. On Wednesday of this week Frank D. Upchurch, state senator from St. Augustine, visited this section. He also scheduled to speak in Canal Point. The speech was scheduled for 2 p.m. and at that hour everybody in these parts was busy in the fields and packing houses. The St. Augustine candidate continued his trip to Pahokee where he spoke at the scheduled hour. Only a small crowd was present to hear him.

I've been talking to several of the candidates, who are campaigning over the state, and their opinion is that larger crowds turn out in West Palm than in any other section of the state. No candidate advertises his appearance. I've often wondered why.

The Palm Beach County Democratic Executive Committee met Tuesday afternoon at the home of Mr. F. M. Myers, according to a report received at St. Lucie Headquarters here yesterday. The movement which has started in Lee County, and is expected to spread throughout the Coast country is spearheaded by a group of prominent citizens, including Wm. H. Reynolds, J. B. Johnston, R. E. Kurz, Jackson G. Myers, Lee, Bill Bolton, W. M. Ballard and others of Ft. Myers, according to Mr. Stuckey, who stopped here today, enroute to Ft. Pierce and Vero Beach.

"They are really getting busy over there," said Mr. Stuckey. "I am finding that friendship and business contacts made over periods of thirty years are really bearing fruit in the campaign. They tell me that they are willing to try a practical business man in Congress for once, who doesn't smother them with promises, but who is ready to work just as hard for them in Washington as he has worked making a living in farming and business."

Mr. Stuckey proudly refers to himself as a "Farmer's son." He can talk crops, and markets with the best of the farmers, for his various affiliated companies control about four thousand acres of farm land in the Sixth District. As he has worked making a living in farming and business."

The club is doing fine and getting a new member now and then. I believe some of them are going to make good, hard working sons. The club is Al Max. The club was Al Max. Al Max is Al Max. All the boys have been working to get elected. Al Max or Al Max into the club for over a year. Al finally weakened and I am afraid he will be a good member for a while. He will soon be getting his news through these letters.

The chairs in the building are still unlined. H. B. will paint them. There is no place on foot to have each man paint a chair. Wouldn't it be an awful sight if each Lion showed up with a different colored paint? My opinion is that the lions will offer to do it. Duncan will not work out so good.

Wishing all of you boys the best of luck.

Henry Barwick.

BIRTH ANNOUNCEMENTS

Mrs. and Mrs. Hugo Bee announce the birth of a son, Robert Kenneth, at a hospital in Winter Haven on Sunday, March 26. Mr. Bee, formerly a pilot in the Coast Guard, is now a petty officer in the Coast Guard, stationed at Fort Pierce. Mrs. Bee was formerly a teacher in the Pahokee Elementary School.

Cubs Discuss Waste Paper Drive

The progress of the waste paper drive in the Canal Point area was discussed by members of the Canal Point Cub Pack 24 at a meeting with Cubmaster Albert Fremd in the school auditorium.

The club is Al Max. All the boys have been working to get elected. Al Max or Al Max into the club for over a year. Al finally weakened and I am afraid he will be a good member for a while. He will soon be getting his news through these letters.

Dennis Caudill Named Rote Head

At a meeting of the Pahokee Woman's Club at the Pahokee Clubhouse, last night, Mr. J. Schröder, president, announced that the indebtedness on the clubhouse had been completely liquidated. The clubhouse had cost several thousand dollars and the debts on it which were purchased for \$1,600. The unpaid balance due at the start of this fiscal year of the club was \$700 and the new indebtedness was \$100. To celebrate the lifting of the debt a banquet is being planned for April 23 at which time the mortgage will be burned and building and grounds dedicated.

Miss Christiane Caudill, in charge of banquet arrangements and Mrs. J. R. York will present the program. Invited guests will be all who have contributed to the club's building fund and husbands of club members.

A guest speaker at the meeting Tuesday night was Miss Olga Kent, County Home Demonstrator Agent. She gave a talk on "Country Interest." Miss Kent also had on display several shoes through which she explained the virtues of various shoe styles and showed good and bad points in each.

She pointed to her long-time service record as a councilwoman and as a civic worker in Pahokee as reasons for seeking re-election.

Miss Kent was in arrears in her campaign for re-election. She was assisted by Mrs. V. C. Denton, American homes committee chairman, and Mrs. J. Frank Colton and Mrs. R. F. Hurt, co-hostesses.

Mr. Denton was also hostess in the serving of refreshments. The program was presented by Mrs. Frank Colton and Mrs. R. F. Hurt, co-hostesses.

O. B. McClure Asks For Re-Election

O. B. McClure, mayor of Pahokee for the past two years, this week announces his candidacy for reelection subject to the will of the voters in the forthcoming election to be held on Tuesday, May 21, 1944.

The mayor is a long-time resident of the City he serves and before being elected mayor had served as a city councilman and as a city engineer for the city of Pahokee.

Mr. McClure is in arrears in his campaign for re-election and said: "I am announcing my candidacy as Mayor of Pahokee and will certainly appreciate the vote and support of those who are in harmony among the council members in order that all of us may render efficient city government."

The latest "Stucky For Congress Club" in the Sixth District was founded this week by F. M. Myers, according to a report received at St. Lucie Headquarters here yesterday. The movement which has started in Lee County, and is expected to spread throughout the Coast country is spearheaded by a group of prominent citizens, including Wm. H. Reynolds, J. B. Johnston, R. E. Kurz, Jackson G. Myers, Lee, Bill Bolson, W. M. Ballard and others of Ft. Myers, according to Mr. Stuckey, who stopped here today, enroute to Ft. Pierce and Vero Beach.

They tell me that they are willing to try a practical business man in Congress for once, who doesn't smother them with promises, but who is ready to work just as hard for them in Washington as he has worked making a living in farming and business."

At present Mr. Murphy is employing the Army Intelligence Service in his campaign. However, he pointed out that Pahokee is his home and family is there, therefore, he would like to win in the race for marshal in order that he could return to live in Pahokee.

O. Murphy this week announced his candidacy for "Chairman of the Canes" in the Pahokee election coming on Tuesday, May 2, 1944. Mr. Murphy said that he would be back in Pahokee on April 21 to make his final campaign speech before the election reaching the Legislature, and will work to see that Palm Beach County again becomes "first" in the three important categories of economic development, farming and ranching and the tourist trade."

He said that he considered the Lee Line Highway, the proposed canal, the dredging of the coast and the opening of other highways and laterals" to be of prime importance "because they will open thousands of acres of new land to development."

Legislative action, he stated, "in my opinion can do a great deal to get a square deal on price structure for the Everglades and coastal farmers. A strong man in the Legislature can help a whole lot to settle problems of the farmers and ranchers, can talk their own language in getting their problems before the State and the federal government."

Members of the Pahokee Woman's Club have an idea that they can raise some cash to buy these much-needed necessities through the medium of a chicken dinner.

Mr. Murphy has served several years as a member of the Pahokee police force and is a candidate for chairman of the marshals.

Two years ago he was noted out by Chief Haywood Baxter.

At present Mr. Murphy is employed by the Army Intelligence Service in his campaign.

However, he pointed out that Pahokee is his home and family is there, therefore, he would like to win in the race for marshal in order that he could return to live in Pahokee.

Mr. Stuckey proudly refers to himself as a "Farmer's son." He can talk crops, and markets with the best of the farmers, for his various affiliated companies control about four thousand acres of farm land in the Sixth District.

First (to grass widow)—"How do you feel after your divorce?"

Second—"Like a new man."—Crucible.

Have you, dear housewife, been down to the store recently? Yet a can of milk? It was rationed, wasn't it? And, maybe you didn't even find a can on the shelves.

Yet canned milk is classed as a "surplus commodity" by the powers that be. The government is trying to get rid of it by shipping it around for free distribution. Just because you have a dime to pay for your can, you can go jump in the lake. Hillsborough county got a carload of more than 70,000 cans but Tampa women who pay

cash at the stores had to shop around to find a few cans while that carload was being distributed.

Another bright light shining from the wonderful system of distribution was the sending of three tons of cabbage into Manatee county when cabbage was rotting in Manatee fields. Now that really was a "surplus" commodity—Leesburg Commercial.

A G.I.'S DREAM

Reville isn't what it used to be, according to a service paper published at Fort Sheridan, Ill. No longer is it a series of grunts and groans accompanied by the harsh words of a sergeant and the blaring of bugles.

The reason? A public address system has been installed in each of the medical company barracks. The speaker is set up in the personnel office and the occupants of those barracks now hop out of bed to such familiar tunes as "Put Your Arms Around Me, Honey!"

The happy result has been that the boys are not only up ahead of time, but they come out singing and whistling. — Collier County News.

THE OLD JUDGE SAYS . . .

"I was just tellin' my brother Fred this morning, Judge...there's never been a time in our lives when we got to live up to that old saying that the world is divided we fall! and when we have to take sides."

"How true that is, Herb. And for the life of me, I can't figure out why, at a time like this, some folks insist on raising a question like prohibition. I can't imagine anything that would tickle our enemies more than to get us folks over here taking sides

against each other, arguing about an issue like that. We've got a hell-a-job on our hands to win this war and we can't be wasting our minds, our money and our strength fighting about something we tried for nearly 14 years and found couldn't work."

"I say there's a time and a place for everything, and this is no time or place to be doing any fightin' except the kind that's going to win the war."

A. R. (RAY) ROEBUCK

CANDIDATE

FOR CLERK OF THE CIRCUIT COURT

35 Years a Resident and 30 Years a Taxpayer
of Palm Beach County

QUALIFIED BY TRAINING AND EXPERIENCE

As a candidate for this office I consider it my duty to submit to the voters and taxpayers some facts relative to the office, which should be brought to the attention of the public since we are dealing with the people's office and the people's money.

Click by his election in 1944, became that Trustee in 1944, when he took office, and therefore is such Trustee by virtue of his office. The Clerks of the Eleven Counties in the Everglades Drainage District have been appointed, Agent for it to carry out the provisions of the Drainage District Law.

The fees earned by the Clerk of the Circuit Court as Agent or Trustee are earned by him and the employees in a public office, by use of County equipment, during office hours or on OVERTIME PAID FOR WITH PUBLIC MONEY and certainly such fees are earned in work incidental to his office.

THE PRESENT CLERK FOR THE YEARS 1941, 1942 AND 1943, CLAIMED AS HIS COMPENSATION, HIS SALARY (WHICH HE WAS NOT ENTITLED) OF \$2,356.15 AND RECEIVED THESE FEES AS AGENT FOR THE EVERGLADES DRAINAGE DISTRICT AND AS TRUSTEE FOR INTERNAL IMPROVEMENT BOARD (TO WHICH HE WAS NOT ENTITLED) \$13,446.05

\$35,802.20

THE ITEM OF \$13,446.00 MONTHLY FOR 36 MONTHS.

The item of \$13,446.00 (Trustee and Agency fees) in which the Clerk was not entitled was not REPORTED as the LAW requires it to be reported.

In 1940 when the present Clerk was NOT in office, the Trustees of the Internal Improvement Board appointed All the Clerks of the Circuit Courts in Florida its Agent and Trustees in their respective Counties to act for it in carrying out the Provisions of the Murphy Act. The present

CLERK BY HIS ELECTION IN 1944, became that Trustee in 1944, when he took office, and therefore is such Trustee by virtue of his office. The Clerks of the Eleven Counties in the Everglades Drainage District have been appointed, Agent for it to carry out the provisions of the Drainage District Law.

The fees earned by the Clerk of the Circuit Court as Agent or Trustee are earned by him and the employees in a public office, by use of County equipment, during office hours or on OVERTIME PAID FOR WITH PUBLIC MONEY and certainly such fees are earned in work incidental to his office.

If Elected, I will recognize the law that fixes the salary of the Clerk of the Circuit Court at not more than \$7,500. per year, the same as that fixed for all other office fees.

I will obey the law requiring me to pay over to the County all fees in excess of the salary and the expenses of the office.

AND WILL INCLUDE ALL EARNINGS AS AGENT FOR THE TRUSTEES OF THE L. I. BOARD AND THE EVERGLADES DRAINAGE DISTRICT, regardless of what any Attorney General might have advised, BECAUSE I HOLD THAT THE LAW IS.

(Quotations of the law) A public office is a public trust, and

'Time of salaried officers, consumed in work incidental to official duties during office hours, are entitled to earn compensation equivalent to their regular business, provided that the compensation does not exceed the amount required by law.'

There is no statutory direction to the contrary in Florida.

"The law is well settled in this country that while one's right to office is a substantive right that may be enforced in appropriate proceedings, yet a public officer has no estate in his office, that the unearned fees or commissions accruing to him therefrom are not his property."

The law requiring them to be paid into the treasury and a salary paid in lieu thereof is not taking private property for public use without compensation. It is also well settled in this state that fees collected by officers represent the public money and are to be taken and remitted to it through its officers, and constitute a fund subject to the control of the state and to be applied as the Legislature directs."

"A public officer is bound to perform the duties of his office, no matter how onerous they may be, for the compensation fixed by law."

So wherever advised any Clerk of the Circuit Court of this State that he could possibly receive compensation fees from his office, he should do so, and make a thorough study of the law. There being no line of decisions holding contrary to the above.

IF ELECTED I WILL SERVE YOU HONESTLY AND TO THE VERY BEST OF MY ABILITY.

YOUR VOTE AND SUPPORT WILL BE APPRECIATED.
